Hop! Skip! Jump!

Hop! Skip! Jump!

Here we go!

I know you're running round in circles, chasing your tail

I know you play the game by your own rules, but you go instead

Don't you think that you're a little bit out on a limb?

What you gain on the roundabout, you lose on the swing

You gotta hop (hop) to the spot

Skip (skip) to the beat

Jump (jump) to the bump

Hear what I say!

Hop, skip, jump, do it!

Hop, skip, jump, shake a leg!

Hop, skip, jump, do it!

Hop, skip, jump!

You say you've played this game a long time, you're on the ball

You say you can walk the high line, you know how to fall

You say you're waiting for the time to \_\_\_\_

\_\_\_\_

You got to

Hop to the skip to the jump to the hop to the

Skip to the jump to the hop to the skip to the

Jump to the hop to the skip to the jump to the hop
